### Definition of Key Terms

- xxxi. Final Grade: The result of the student's sitting for the main exam.
- xxxii. Supplement(SUPP): The result for supplementary examination. To qualify for supplementary the student should get a score between 40 – 49% in the main examination. A score in this category should not be above 50%.
- xxxiii. Proceed: Means to proceed to the next level. The student has passed/cleared all modules in that level.
- xxxiv. Notional Study Hours (Hours): Means the estimated learning time taken by the student to achieve specified learning outcomes for the module.
- xxxv. Credit: Means weight assigned to a module according to the number of learning hours allocated to the module per week.
- xxxvi. Grade Point Average (GPA): Means the summary index of a student's performance for each semester spent in the institution.
- xxxvii. Cumulative Grade Point Average (CGPA): Means the summary index of a student's performance for all the semesters spent in the institution.
- xxxviii. Repeat (R): Means the student has repeated the module.
- xxxix. Exempt: Means the student has been granted permission not to take a module provided/he/she has taken and passed the module before or an equivalent.
- xl. Incomplete: Means the student has not completed the requirements of a module which can be theory and/or practical.
