Explanatory Notes

This statement of results is not a certificate. Examinations Council of Eswatini reserves the right to amend the information given on this statement, which will be confirmed by the issue of certificates.

EGCSE and IGCSE results are reported on an 8-point scale of grades: A*(a*), A(a), B(b), C(c), D(d), E(e), F(f), G(g), grade A*(a*) being the highest and grade G(g) the lowest.

UNGRADED indicates a standard below that required for Grade G(g).

NO RESULT indicates that a result cannot be issued because of absence for the whole or part of the examination in the syllabus or because of a decision not to issue a result for some other reason.

PENDING indicates that a result cannot be issued at present but will follow in due course.

The Percentage Uniform Mark for EGCSE and IGCSE is provided in addition to the grade for a syllabus. The Percentage Uniform Mark is not the total mark achieved for the syllabus. It is a common scale for all syllabuses to show whether the candidate's performance is close to the top, bottom or middle of the grade. A Percentage Uniform Mark is not provided where the candidate's result is Ungraded, No Result, Pending or To Be Issued.

Only subjects in which grades A*(a*) to G(g) are attained will be recorded on certificates.
